BOOK AGENTS WANTED .-BIBLE DICTIONARY. Complete in one volume. Edited by Dr. Wm.

Complete in one concess. Eached by Dr. Wm. Smith, Classical Examiner of the University of London.

The Dictionary embodies the results of the most recent study, research, and investigation, of about sixty-five of the most smineut and advanced Biblical scholars now living. Clergymen of various denominations approve it, and regard it as the best of its kind in the English language, and one which ought to be in the hands of every Bible reader in the land. In circulating this work, agents will find a pleasant and profitable employment. The numerous objections which are usually encountered in selling ordinary sorts will not exist with this. But on the contrary encouragement and friendly sid will attend the agent, making his labor agreeable, useful and increative. Ladies, Clergymen, School Teachers, Farmers, Students, and all others who possess energy, are wanted to assist in convasting every town and county in the country, to whom the most liberal inducements will be offered. For particulary address.
